**Erasmus+ grant top-up**

In the Erasmus+ programme a certain group of students can be awarded an extra top-up with the grant. The top-up is Euro 250 per month. For eligible students this top-up is added to the ordinary Erasmus+ grant.

**Students in the Fewer opportunities category (please mark the category that applies):**

- Students with functional impairments, chronic or treatment-requiring disorders (applies to both mental and physical disorders as well as learning difficulties)
- Students with civic duty or called up for service in the Reserve (the civic duty or service in the Reserve itself must require attendance in Denmark during the same period as the student's Erasmus+ mobility)
- Students who are dependents or resource persons. It can be as parent, adoptive parent, carer for a sick family member, mentor, or support person. It is not a requirement that children be taken along on the Erasmus+ mobility.

Signature/Declaration of honour	
THE UNDERSIGNED HEREBY CONFIRMS THAT I AM A STUDENT IN THE FEWER OPPORTUNITIES CATEGORY. I HEREBY REQUEST THE FEWER OPPORTUNITIES TOP-UP FOR MY UPCOMING ERASMUS+ MOBILITY.

**Submit the Declaration of honour**

Sign the declaration and submit it with your Erasmus+ application (MoveOn).

You will be notified about the top-up when you receive the grant agreement for your ordinary Erasmus+ grant.

**Please note**

VIA University College may require documentation other than this declaration if there is a need for it. There is no guarantee that you will receive this top-up. If VIA University College has a shortage of Erasmus+ funds you might not get the top-up.

**Do your expenses exceed the Fewer opportunities top-up?**

If you have expenses, related to your special needs, that exceed the top-up amount (Euro 250 per month) there might be an option to apply for extra funding (Inclusion Support) via the Erasmus+ programme. For more information see [MitVIA](#) / [MyVIA](#).
